Issue Date: 12/27/2005 :

Title: **Low Noise Full Integrated Multilayer Magnetic for Power Converters**

REQUEST FOR CERTIFICATE OF CORRECTION

Attn: Certificate of Corrections Branch
Commissioner for Patents
P.O. Box 1450
Alexandria, VA 22313-1450

Dear Sir:

This is to request a Certificate of Correction for the above-identified patent correcting on the first page of the patent the date of the cited Japanese published Utility Model application 1-100471 from 7/1999 to 7/1989. The error is applicant's. It results from a typographical error on an Information Disclosure Statement filed by applicant.

On March 24, 2006, the undersigned attorney for applicant spoke to the examiner who had examined the application that has become the '074 patent. The examiner, Mr. Anh T. Mai, reviewed the file. He stated that, at the time, he treated the published Japanese Utility Model application as prior art based upon the 1989 date that is on the Japanese document and its translation, rather than relying on the 1999 date incorrectly stated on the Information Disclosure Statement.

The undersigned attorney for applicant indicated to Mr. Mai that, to correct the patent, he would request this Certificate of Correction based on applicant's error and would report Mr.

APR 11 2006

Mai's comments concerning his treatment of the Japanese application as prior art. Mr. Mai was agreeable with that approach to correction.

The undersigned attorney for applicant appreciates Examiner Mai's helpful consideration of the examination even after the patent issued.

The payment of the fee for this request for a Certificate of Correction accompanies this submission. However, authorization to draw any insufficiency from or credit any overpayment to the deposit account number 070135 of attorneys for applicant is hereby given. A duplicate copy of this page is enclosed.

Respectfully submitted,

GALLAGHER & KENNEDY, P.A.
